RE: Beardsley Water Company – Application for Deletion of a Portion of its Certificate of Convenience and Necessity. Docket No. W-02074A-06-0095

SUFFICIENCY LETTER

Dear Mr. Hirsch:

The application of Beardsley Water Company for approval of the deletion of a portion of its Certificate of Convenience and Necessity, has met the sufficiency requirements as outlined in the Arizona Administrative Code ("A.A.C.").

Pursuant to the A.A.C. R14-2-411(C) for water and R14-2-610(C) for wastewater, the Commission has 150 calendar days to approve or reject this application after it is deemed sufficient. This time period will encompass the filing of Staff's recommendation, an evidentiary hearing, a Recommended Opinion and Order and a Decision from the Commission.

However, please provide documentation that the City of Surprise has requested and intends to serve the territory at issue. A sales agreement or service agreement would fulfill this request. A response to this request within 10 days would be helpful.

If you have any questions concerning this matter, please do not hesitate to contact me at 602-542-0859.

Yours truly,

Linda A. Jaress
Executive Consultant III
